

MBartist™ Floppy Comic Books

Available in 1 size:

- 7.25" x 10.5" Limited Production Floppy
Packaged with a ridged backboard in a protective Crystal Clear bag

MBartist in partnership with creators will release limited edition floppy recreations with original artwork (variant) covers.

Each floppy creation includes the new MBartist original cover and a reproduction of select content from the original print publication, including the original book cover.

MBartist Floppy Comic Books are a traditional dimension, 7.25" x 10.5" printed digitally in full colour. Covers are printed on 80lb silk text and content is printed on 60lb smooth text stock.

Each MBartist Floppy Comic Book is packaged with a rigid backboard in a Crystal Clear protective bag.

The 4-ply, double sided, super smooth, illustration board is made from 100% recycled fiber, and 90% post-consumer waste product. Manufactured at an alkaline pH.

The flap-seal Crystal Clear bags come with re-sealable adhesive strips on the flap, allowing them to be folded and sealed over the opening of the bag. The Crystal Clear optical clarity, high quality material will not easily rip, tear, wrinkle, or fog. The material is acid and lignin free, archival safe, made with 10% recycled content and approximately 1.6 mil in thickness.
